

UNLOCK NEW OPPORTUNITIES IN THE GOVERNMENT, COMMERCIAL, AND DEFENSE SECTORS

An outcomes-driven, cohort-based, primarily virtual accelerator program designed to support your startup at every stage. Harness a powerful curriculum to break into enterprise, government, and defense marketplaces—no fees, no equity taken!

About the Program

The Crucible Accelerator is a cohort-based program sponsored by NavalX Inland Empire Tech Bridge, that advances the growth of startups and SME's in California, Pacific Northwest Region and Hawaii. Whether you're looking to break into the commercial, government, or defense sectors, our program connects early-stage ventures with coaching, resources, and mentorship needed to succeed. The program culminates with an in-person Innovation Summit where participants pitch to the ecosystem of Naval and industry stakeholders.

Key Benefits

- **Mentorship:** Access to experienced mentors who will guide you through the complexities of scaling your business.
- **Strategic Exposure:** Opportunities to connect with key stakeholders in government and commercial sectors.

Program Dates

- **Program Duration:** January 13, 2025 - March 28, 2025
- **Innovation Summit:** April 2025 (in-person)

Curriculum Highlights

- Growing Your Ecosystem
- Venture Consulting and Funding Pathways (Public and Private)
- Navigating Enterprise, DoD, and Government Contracts
- Pitch Preparation and Practice

Are you a good fit for Crucible Accelerator?

Are you an early-stage startup or company?

Are you interested in working with enterprise, government, or the Department of Defense (DoD)?

If this sounds like you, apply to the Crucible Accelerator today!

New Partnership Opportunity with CBU

We are excited to announce a new partnership opportunity with California Baptist University (CBU). This collaboration aims to provide additional human capital support with highly selected interns to your startup's during the program. Interested in learning more? Indicate your interest in the application form.

How to Apply

Applications are now open nationwide, with a focus on startups based in California, the Pacific Northwest Region, and Hawaii.

Deadline: November 15, 2024
